WHAT A GREAT SAILING CRUISER

YOU WILL REALLY LOVE!

I like the way Beneteau built these boats, solid construction techniques. Comfortable rounded edges in the cockpit. Easy to sail, running rigging and winches in a user friendly location.

Down below she has a airy feeling. Companionway easy 30 degree steps with flared sides for heeling comfort. Hand rails strategically placed for safety in mind. You will like the pullman style master cabin forward w/private bathroom/shower. Clean Clean Clean this boat is. This Beneteau 42s7 does not have very much equipment. Owner day sails her. If I was buying I would put on the list, new electronics, auto pilot, and propane stove.
