General Boat Description

Oltremare is a beautifully maintained Beneteau Oceanis 46, she is owned by a very experienced couple that bought the boat new in 2008. They loved cruising with Oltremare and keeping their boat in great condition. The interior is pristine, no pitting on the stainless faucets and door fixtures. The interior cushions are from a beige cloth and look like new because protective covers are used when cruising. The hull and deck are in perfect condition, the hatches have no sun or chemical damage in the UV protection. Now the time has come to sell the boat and move on to other adventures. She comes fully equipped for cruising, with full kit of cookware, dishware, cutlery, tools, spare parts, and safety equipment. Below is a list of some of her upgrades. This is a 2 large cabin and 2 head version.
