General Boat Description

1985 Gulfstar "Hirsch" Center Cockpit 45' diesel

This well sought after 2 cabin 1985 Gulfstar 45 Hirsh has just recently completed her refit and is ready for immediate offshore sailing and long-term cruising. Life circumstances now have the owners offering up this turnkey opportunity to the lucky sailor who wants to cast the lines and sail away now.... all systems have been upgraded, with particular attention taken to assure that she is both sea ready and COMFORTABLE. The interior is in excellent shape with the soles being recently replaced, and interior woodwork refinished. For your storage space, 4 additional cabinets have been installed. The boat has had both sides, cockpit and topsides repainted with Awlgrip, additional paint is included. This boat will not last long. In 2022 she was surveyed for insurance coverage increase, and the replacement value set at \$149K. She is ready to sail away to all your island locations.

If you're in the market for a good-looking, well-maintained center cockpit that won't break the bank this is it! "JESUS SAVES" is a lightly used and well-kept example of the Gulfstar Hirsch 45. Gulfstar built 30 of these. She has an aft master berth with bathroom and a forward V berth with bathroom.

As the third owner, we have just completed a major refit of the systems, she has been lovingly cared for, from the new sides and cockpit paint to all new interiors, no expense spared in assuring she is ready today for extended offshore cruising. With 1200 amps of Lithium-Ion batteries, 1600 watts of solar and twin 3000-watt inverters, she will not let

you down. all New Raymarine systems including a 12" Raymarine Axiom chartplotter as well. This two-berth vessel boasts a brand-new sole, refinished saloon, and new Refrigerators and two new Mariniere A/C's that can be run when not on shore power. Both 60-gallon water tanks were removed and professionally cleaned, reinstalled with new water lines.

Speed

Cruising Speed 7.5kn in 15 kn of wind
