Fuel Tanks: 285Gallons

## General Boat Description

Large interior with lots of headroom and massive amounts of storage make long passages or living aboard manageable. The separate cabins and heads make for great privacy and the large salon has plenty of room for family and friends.

- Very large interior layout. Forward v-berth cabin includes full head w/shower, bulkhead forward with chain locker access.
- Nicely positioned large aft cabin with a double bed to port, new 5? foam mattress, loads of storage, also a private head w/shower
- The salon is located mid-ship with updated upholstered u-shaped settee to port and inline settee to starboard.
- Settees can be used as additional bunks
- Galley is to port, off the companion way
- New LED lighting throughout
- Original mahogany interior very well maintained
  
- Arched passageway beginning at the galley, allows access to freezer, lockers, engine room and the aft cabin
- The lockers and cabinetry are very superbly finished with solid teak and beautifully shaped to fit the space.
- Teak and holly sole
- Full Nav station to starboard; chart table tucks away for added space.
- Large engine room, with access doors between the aft and the main cabin with another access located under companionway steps

- Fresh water tanks – x1 located under forward v-berth, x1 under salon sole - 200 gallons total
- 170 fuel capacity
- Holding tanks – x1 tank forward, x1 aft
- NEW plumbing throughout (PEX pipe), includes water lines, fixtures, pump, taps and a new water heater
- All Victron battery management
  
- Completely rewired with new Marine grade wire (by an A&P certified mechanic) and connections

Ultra reliable and powerful Perkins 77 hp main engine with ONLY 471.8 hours

Westerbeke 5kw genset with only 578 hours

BOTH main engine and genset are religiously maintained including oil changes every 50 hours.
