General Boat Description

SUN REEF 620 CATAMARAN 2009

Location Dominican Republic

Come aboard this amazing sailing machine you will find comfort and luxury, design for easy sailing, safe and exciting fun voyages beyond your imagination. With all the comforts of home at your finger tips. Traveling to blue water locations has never been so easy!

Stepping down to the swim platforms this gives you a great access to the two Yanmar engines with lots of extra room for more. Easy access to the tender and just an easy step to the blue blue sea or floating dock.

Spacious aft lower cockpit opens up as another protected area of comfort. Nice seating area with dining table. Large sliding doors you can easily move forward into the into the fantastic salon living space. galley, navigation control center, and spectacular view of the sea on all 3 sides!

Stairways on both sides leads down to the 4 staterooms with private bathrooms w/showers.

The best part of the boat is the sky bridge (upper cockpit). Just 3 steps and then 4 your up to the upper deck what an amazing place with all the centralized sail controls nicely within the helm station. The sky bridge offers a luxurious lounging location which includes nice table for 6, a shady cockpit seating and sunbathing area. The helm has a large seat for two enables control over the entire yacht with 360 degree view all around. All control lines and winches can be found here as well as all electronics, with repeaters down below. The separate Bimini keeps the helm and the cockpit in shade and comfort.

Equipped with generator and watermaker, air conditioners, a dive compressor and tanks, a washer

and dryer, a dishwasher, multiple flat screen TVs, and anything else you can think of she has!
