General Boat Description

Introducing the **2018 Aspen C100**, a remarkable power catamaran that combines elegance and performance. With an overall length of 34.3 feet, this vessel is designed for both comfort and adventure on the water.

The composite hull features a sleek catamaran shape, ensuring stability and efficiency during your journeys. Powered by a robust 220 hp Volvo Penta D3 inboard engine, this catamaran achieves a cruising speed of 16 knots and a maximum hull speed of 22 knots, making it perfect for exhilarating excursions.

With a range of 300 miles, you can explore distant shores with confidence. Accommodating up to six passengers, the Aspen C100 offers a cozy cabin and a well-appointed head, ensuring comfort for all aboard. Experience the joy of sailing with this exceptional vessel, where quality craftsmanship meets outstanding performance on the open water.
