General Boat Description

Now available – a rare opportunity to own a **2017 Aspen C120**, a power proa catamaran renowned for its efficiency, stability, and thoughtful design. This vessel combines long-range cruising capabilities with luxurious comfort, making it ideal for adventurous voyages or weekend getaways.

Key Features:

- **Fuel-Efficient Power Proa Hull:** Unmatched stability and performance with up to 70% better fuel economy than conventional monohulls. **Impressive Performance:** Cruises at 16–18 knots with a top speed of 20–23 knots. Fuel burn is just **11 GPH at 16 knots**, offering up to 50–60% better efficiency than traditional hulls.
- **Spacious Interior:** Three staterooms, two heads, and a full-beam master suite provide comfort for extended cruising. **Expansive Living Spaces:** Enjoy a full-beam salon with panoramic 360° views, creating a seamless connection with the outdoors.
- **Premium Appointments:** High-quality finishes, modern galley, and well-appointed salon designed for entertaining and relaxation.
- **Commanding Performance:** Powered by a single Volvo Penta D6 435hp engine, delivering smooth cruising with low maintenance costs.
- **Well-Equipped for Sustainable Cruising:** Includes generator, full electronics package, bow & stern thrusters, water maker, folding mast and bimini top for low bridge clearance, and much more.

Meticulously maintained and turnkey ready, this C120 offers incredible value and is ideal for discerning boaters looking for efficiency without compromise.
