General Boat Description

Introducing the stunning 2018 Aspen C120 Power Catamaran, a remarkable vessel that combines elegance and performance. With an overall length of 43 feet, this catamaran is crafted from durable fiberglass, ensuring both strength and a smooth ride.

Powered by a robust Volvo Penta D6 engine, delivering an impressive 435 horsepower, it achieves cruising speeds of 17 knots and a maximum hull speed of 22 knots, making it perfect for exhilarating adventures on the water. Designed for comfort, the C120 features two well-appointed cabins and two heads, accommodating up to 12 guests with ease.

The thoughtful layout ensures ample space for relaxation and entertainment. With a range of 410 miles, this catamaran is ideal for extended voyages. Experience the perfect blend of luxury and performance with the Aspen C120, where every journey becomes a memorable escape.
