

Aspen C90 2011

Year: 2011

Length: 28 ft

Price: \$194,800

Located in: Anacortes, WA US

Hull Material: Fiberglass

Engine/Fuel Type: diesel

YW# 10209499

Make

Make: Aspen

Builder: Aspen

Designer: Larry Graf

Measurements

Length Overall: 28.00 ft

Cabin Head room: 6.42 ft

Beam: 10.00 ft

Free board: 6.00 ft

Range: 345.23 mi

Engines

Total Power: 220|horsepower

Engine Brand: Volvo Penta

Year Built: 2018

Engine Model: D3

Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 607

Engine Power: 220|horsepower

Tanks

Fresh Water Tanks: 128Gallons

Fuel Tanks: 180Gallons

General Boat Description

A fantastic boat for cruising the waters of the Pacific Northwest! The C90 is special in so many ways; its pedigree starts with very high expectations in a trailable cruiser. Most power cruising catamarans have misnomers such as "pocket" or "cuddy" attached and they are descriptive of what you get. A lot squeezed into a small space. Our designers wanted the trailerability, but not the "pocket". This led to many hours of design and full-scale model building to get all the right elements at the right scale. It is also why the C90 has a 10\ beam. This extra width is amazing in its affect on the boats interior space and sense of size.

Come on by and take a look!

It is loaded with highly desirable cruising amenities such as: radar, Garmin chart-plotter, inverter, bow and stern thrusters, and electric head. Nice galley with propane stove and 12v Fridge.

Turnkey ready to go on your next adventure.

Layout & Accommodations

2 cabin, 1 head

2 forward opening hatches for improved air flow thru boat while at anchor

Accommodations-Head:

King Berth Sleeping Forward for easy access
Clothes Hamper in Master Under Seat
