

Aspen C90 2020

Year: 2020

Length: 28 ft

Price: \$295,000

Located in: Anacortes, WA US

Hull Material: Fiberglass

Engine/Fuel Type: diesel

YW# 10208279

Make

Make: Aspen

Builder: Aspen

Designer: Larry Graf

Measurements

Length Overall: 30.50 ft

Max Draft: 2.75 ft

Bridge Clearance: 9.00 ft

Cabin Head room: 6.33 ft

Beam: 10.00 ft

Free board: 6.00 ft

Range: 345.23 mi

Engines

Total Power: 220|horsepower

Engine Brand: Volvo Penta

Year Built: 2020

Engine Model: D3

Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 1200

Engine Power: 220|horsepower

Tanks

Fresh Water Tanks: 150Gallons

Fuel Tanks: 180Gallons

General Boat Description

The **Aspen C90** is a groundbreaking **28-foot power catamaran**, designed for boaters who seek **exceptional efficiency, stability, and comfort** in a compact yet capable vessel. Built with Aspen's patented **Proa hull design**, the C90 delivers a **smooth, quiet ride** while achieving **unmatched fuel economy**—perfect for coastal cruising, fishing, and extended adventures.

With **spacious accommodations**, a **well-appointed interior**, and thoughtful craftsmanship, the C90 offers the performance of a much larger yacht while remaining easy to handle and maintain. Whether you're exploring new waters or enjoying a weekend getaway, this catamaran redefines what's possible in its class.

As Built Upgrades to the Standard C90 model:

- Hardtop fiberglass extended +18" with dual 160-watt solar panels (like C100)
- Garmin 1242 (12") and 7608 (8") chart plotters
- Autopilot with remote control rudder and remote control for thrusters
- Sirius antenna for Sirius Weather and Entertainment

- LED lighting, 2800 Kelvin, 14-total, 80% less power
- Head has extra portlight in deck above hull for light
- Amtico floors and steps (extremely durable)
- Solar Guard salon window treatment
- Air Conditioning unit 18,000 BTU with reverse Cycle
- Propex forced air heat, 6000 BTU
- Aft salon folding bulkhead window
- Polished teak cockpit cocktail table with removable swing stools
- Bustle on stern platform for additional storage

Major post-delivery upgrades include 1) an all-steel salon table telescopic post, 2) set screw protected salon door hinges, 3) separate fuses for electric toilet and its raw water pump. Major boat kit items include a Revere 6-man coastal life raft (factory certified June 2025), shore power 50/30 amps Y-splitter, and two anchors (Fortress and Vulcan). Boat kit includes other useful items for boating as well as documentation.

Aspen performed 1200 engine service including timing belt (due 1400 hours)

The power proa is a revolutionary approach to boat design, offering **a unique blend of efficiency, stability, and simplicity**. By rethinking traditional hull configurations and leveraging **advanced engineering**, power proas provide a **fuel-efficient alternative** without sacrificing comfort or performance. As more boaters discover the advantages of this innovative design, power proas are poised to reshape the future of recreational and commercial boating alike.
