Electric Windless, Bottom Painted 9/25, & much more see full specs

The Beneteau 473 is a popular performance cruiser known for its spacious and comfortable interior, thanks to its 47-foot length and Groupe Finot design. Key features include a large cockpit, generous storage, a bright salon with ample seating, and a well-equipped galley. It is available in two- or three-cabin layouts and is considered suitable for both cruising and offshore sailing, though some owners note the high freeboard and recommend modifications for serious offshore work. Space, elegance, light, speed : a real performance-cruiser to sail the seas in unaccustomed comfort, even if shorthanded.
