General Boat Description

Pricing is FOB Miami. Freight, insurance, and final landed costs will vary depending on destination. Please contact us for a detailed landed cost estimate.

We specialize in seamless, turnkey Caribbean delivery, managing all logistics, freight coordination, and marine insurance for our clients from start to finish. As an authorized **Cobia dealer**, and with our sister company serving as the **Yamaha dealer across eight neighboring islands**, we are uniquely positioned to provide not only the sale, but long-term support and after-sales service throughout the region.

This **2026 Cobia 265 CC** is a fully optioned offshore center console designed to deliver serious fishing capability, premium comfort, and reliable Yamaha performance in a versatile 26-foot platform. Powered by **twin Yamaha F250 outboards with Helm Master EX digital controls**, this 265 offers exceptional throttle response, maneuverability, and fuel efficiency.

With a **21-degree deadrise hull, 161-gallon fuel capacity, and 500 HP maximum rating**, the 265 CC delivers the ride and performance expected from Cobia's offshore lineage.

Performance

- **Cruise:** Approximately 30–32 MPH @ 4,000 RPM
- **Top Speed:** Approximately 50–52 MPH @ 5,800–6,000 RPM

(Performance figures are typical estimates for this power configuration and load conditions.)

Performance & Handling

- Twin Yamaha F250 outboards
- Helm Master EX digital controls
- Digital electric steering
- GEM stainless steering wheel
