General Boat Description

Pricing is FOB Miami. Freight, insurance, and final landed costs will vary depending on destination. Please contact us for a detailed landed cost estimate.

We specialize in seamless, turnkey Caribbean delivery, managing all logistics, freight coordination, and marine insurance for our clients from start to finish. As an authorized **Cobia dealer**, and with our sister company serving as the **Yamaha dealer across eight neighboring islands**, we are uniquely positioned to provide not only the sale, but long-term support and after-sales service throughout the region.

This **2026 Cobia 285 CC** is a heavily optioned offshore center console built for serious fishing, entertaining, and high-performance cruising. Powered by **twin Yamaha F300 outboards with Helm Master EX and integrated joystick control**, this 285 delivers exceptional maneuverability, reliability, and performance.

With a **21-degree deadrise hull, 231-gallon fuel capacity, and 700 HP maximum rating**, the 285 CC offers the ride, range, and power needed for offshore runs while maintaining comfort and stability at rest.
