General Boat Description

A full array of electronics which will appease any captain includes: Garmin 6212 Chartplotter, GMR18, GHP10, 1KW Transducer. Extended Hard Top with Premium Canvas. This is a one of a kind 26' built for a very discerning fisherman/boater from Campbell River, BC. The list of custom features is 2 pages long so rest assure she's amazing. The options, rigging, and outfit was completed by Larry Graf's direct supervision with his expert Glacier Bay/Aspen team.

Key Features:

- Custom triple wide back to back seating with huge storage under.
- Allows for 3 people to face fore and aft, enjoying the trip or watching the fishing rods
- All seating enclosed by hard top and premium sunbrella drop curtain
- Yacht type cork floors and combing; these look great and are soft to walk on while providing an excellent non-skid.
- Bellow deck storage - 50% bigger than standard GB, built in dive tank storage.
- Large slant back cover over cockpit for storage protection.
- Float On trailer Included, Premium light weight aluminum trailer; electric over hydraulic
